

Koomba Birdal

Certificate II in Automotive Servicing Technology (Light Vehicle Servicing Pre-apprenticeship)

AUR20520

Overview

This course is for Aboriginal and Torres Strait Islander candidates looking to start a career in Automotive.

As a pre-apprentice you will learn how to work in a Mechanical Workshop, use hand and power tools, work on engines, and change tyres.

During the course you will learn the basics of light vehicle mechanics and gain these skills:

- Carry out servicing operations
- Inspect and service engines and steering and suspension systems
- Use and maintain workplace tools and equipment
- Apply basic automotive troubleshooting processes

Additional training

- Health and wellbeing
- Money management
- Resume

Fees

Our Enhanced Aboriginal Engagement Team (EAE) will provide indicative fees upon receiving your expression of interest.

Entry requirements
