

Koomba Birdal

Certificate II in Creative Industries (Live Production)

CUA20220

Overview

This course is for Aboriginal and Torres Strait Islander candidates wanting to work in the creative technical area of live performance production and be a part of the team that makes the show happen in theatres, music and concert venues, arts and performance spaces, etc.

With a high demand currently for live production staff, this qualification gets you into the door and gives you the edge for job opportunities in the Live Production and Technical Services field.
